Esteemed jazz flutist, vocalist, composer and poet [Alex Hamburger](#) shares music from her highly anticipated debut quartet album, *And She Spoke!* Alex brings together an inspiring collection of original compositions and arrangements influenced by the diverse and ever changing concept of the female voice. Featuring original compositions heavily inspired by poetry written through the female voice and personalized arrangements of female-written compositions, *And She Spoke* pays homage to the jazz tradition, citing Alex's background and mentors as fundamental inspiration, while providing a fresh outlook with palpably incandescent energy.

Joined by another DMV native Tyrone Allen on bass, Connecticut born drummer currently residing in Brooklyn Chase Kuesel, and Brazilian pianist who also served as a producer and arranger on the album José Luiz Martins, Alex and the quartet will take you on a journey through these women's works that will evoke many emotions in a new and fresh way.
